sheet

A portable truck scale is only an email away! Our truck can deliver your portable scale on short notice or if you prefer, come and pick it up yourself (first come first served availability).

2008-2009 Rental Rates (dealer net)

- 1 or 2 month rental \$2800.00 per month
- 3 or 4 month rental \$2500.00 per month
- 5 thru 9 month rental \$1900.00 per month

Unsure of how long you need the scale? No Problem. The longer you keep our scale, the lower your rate will be, prorated from the 1st month!

Here's an example: **One Month Rental Commitment**

We deliver our scale to your site on the day you request. We invoice you for the \$2800.00 single month rate, you then find out you need the scale for 3 months, we invoice the second and third month at \$2500.00 per month, plus we will credit your invoice \$300 so all 3 months are only \$2500!

**Delivery:** Just give us an address and we will give you a freight quote before we leave!

## Want Turn Key Setup?

No Problem! Let us deliver the scale, set it up,  
build ramps and wire it!  
All you need to do is set up a certification!

### Not included in the our basic rates

Freight, crane, assembly, ramps, wiring,  
calibration, certification, disassembly, crane for  
return trip, cleaning and freight back to our shop
